

Jandy®

RAILS & LADDERS

CRAFTED FOR SAFETY AND DURABILITY

Engineered from the ground up, Jandy® rails and ladders add a reliable measure of safety for pool entrances and exits with sturdy, high-quality stainless-steel construction designed to stand up to the rigors of commercial use, yet refined enough for residential applications.

- Durable, high-quality stainless-steel construction
- Thoroughly tested for corrosion-resistance
- Vertically integrated manufacturing for quality
- Industry-standard sizes and configurations

RAILS

3-BEND STAIR RAIL

Sleek and stylish, the 3-Bend Stair Rail comes in a wide variety of lengths to accommodate any pool while providing sturdy support for safe entry/exit.

Height	Wall Thickness	Material
48"		
60"	.049"	SS304
72"	.065"	SS316L
90"		

3-BEND DECK RETURN STAIR RAIL

The 3-Bend Deck Return Stair Rail features a cross-braced surface mounted design suitable for pool stairs and sloped entries.

Height	Wall Thickness	Material
54"	.049"	SS304
	.065"	SS316L

GRAB RAIL

Durable stainless-steel deck-to-deck grab rail designed for use on pool stairs and sloped entries.

Bends	Total Length	Wall Thickness	Material
3		.049"	SS304
4	48"	.065"	SS316L

FIGURE-4 HAND RAIL PAIR

A compact deck mounted design that provides a safe hand grip for recessed, built-in steps and in-wall pool ladders.

Total Length	Wall Thickness	Material
26"	.049"	SS304
30"	.065"	SS316L

LADDERS

POOL LADDER

Polished stainless-steel, on-deck ladder comes in a classic design ready for most in-deck anchors on the market.

Height	Wall Thickness	Material
53"	.049"	SS304
	.065"	SS316L

COMMERCIAL POOL LADDER

Polished stainless-steel on-deck ladder comes in a classic design ready for most in-deck anchors on the market.

Height	Wall Thickness	Material
66"	.065"	SS304
	.109"	SS316L

FLORIDA LADDER

A stylish option offering enhanced safety with cross-brace design able to accommodate overflow grating.

Height	Wall Thickness	Material
67"	.109"	316L

HALF LADDER

In-pool mounted 3-step Half Ladder assists with entry/exit of in-ground pools. Great for pools with an automatic cover. Pair with our Figure-4 Hand Rails for a complete solution.

Height	Wall Thickness	Material
NA	.047"	316L
